It's easy to customize your favorite order from your phone while using the [HARVEST mobile app](#), and then pick it up from your local HARVEST or have it delivered (if delivery is applicable). Here's how to do it:

Download & Create An Account

To get started, visit the app store and search for the HARVEST Clean Eats mobile app. Then, sign up for an account. You'll be prompted to enter your name, email address, and create a secure password.

Explore the Menu and Customize Your Order

Once you've logged in, tap the "menu" icon at the bottom of the screen. Take a moment to explore the menu. From there, you can customize your order to accommodate your preferences and diet.

Pick Up / Deliver

Finally, select pick up or delivery (if delivery is applicable). Select the restaurant location for your pick up /delivery. The app estimates your wait time. Make sure to enable notifications so the app can let you know when your order is ready to be picked up or is being delivered.

The next time you're craving HARVEST, make it a quick and contactless experience with the HARVEST mobile app.
